CMCC Doc. No. 151X5.317  
Copy 1 of 2  
Page 1 of 1

Dear George:

Unfortunately, both Dean and Si have been out of the city for some time, and I have found it necessary to have [REDACTED], our Executive Vice President, sign the letters of transmittal identified as CMCC Doc. Nos. 151X5.302 and 151X5.313, which cover proposals that have been due you for some time. Hence, the appearance of the signature "Hal" on those documents.

As you probably know, [REDACTED] has both Phase I and Phase II clearance, although no use has been made of the latter to the present time. He is fully aware of the nature of project activities by virtue of having served under direct Presidential appointment within the past two years as the Chairman of a committee formed to evaluate all of our military and related programs and to make recommendations to the President as a result of that evaluation.

25X1A

Sincerely,

[REDACTED]

Burt
